*Phenomenal Quotes from Famous people  
To Enhance and Refocus the Joy in Your Marriage*

Thank you so much for downloading this eBook. My purpose for giving you this information is to encourage you in your marriage lifestyle.

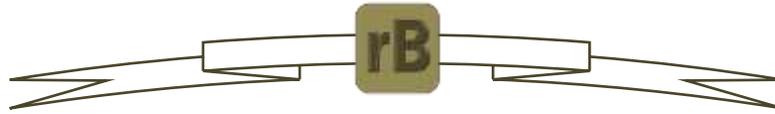

If you've been married for 1, 10, 20, or even 100 years, we all still need encouragement to stay engaged in our marriage relationship.

One of the things (or tips) that can help a marriage refocus is by reading quotes from famous people, or from people that have succeeded in their marriage life.

Being happily married is hard work. Everyone seems to be overloaded with responsibilities, deadlines and obligations. Often, what suffers the most in our daily affairs is our relationships with those we love most – our immediate families – especially our spouses.

This is the reason why I have compiled a great list of people that are obviously in love with their spouse.

I'm sure you will benefit from this list a great deal.

Before we get started on this list, let me ask you a couple of questions:

1. What is your biggest success in your marriage?
2. How did you plan for your success?

I'd love for you to share your success story with me. You can share it privately with me here: [therebrandedlife@gmx.com](mailto:therebrandedlife@gmx.com)

I am always looking for success stories to influence others with and provide hope for their greatest investment for life.

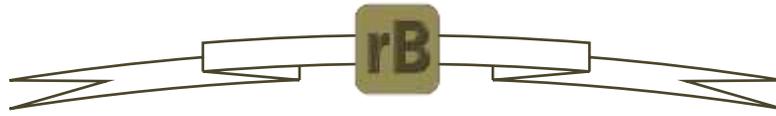

Also, I'd like to know one more thing:

1. What is your biggest struggle in your marriage that you might need help with?

Why am I asking you this? Because I want to help you – that's it!

I love helping couples succeed in their marriage as well as in the family life. But for now, I'd like to focus on your marriage.

I want to know your biggest success, as well as your biggest struggle. Please, feel free to email me at: [therebrandedlife@gmx.com](mailto:therebrandedlife@gmx.com)

Truth is we all need help in our marriages. Though I have ONE AWESOME marriage – we still have room for improvement. And that’s no joke!

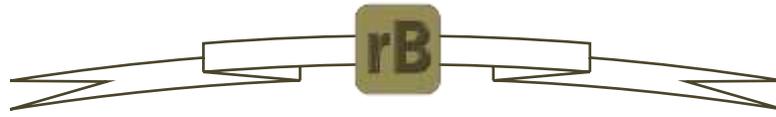

By the time I think I’m having an almost perfect marriage, I then realize that there is still more to work on.

Marriage is a lifestyle project – a continual work in progress. So we all need help.

My goal is to help you develop the marriage you’ve always dreamed of – a marriage others admire and want to model and follow. After all, families are first established with a marriage relationship – developing children – developing more families.

To start, here’s a plan of action: Take one or two quotes per day or per week and meditate on it. This will help you and your spouse to engrave it in your minds to enhance your marriage.

Now, on to the famous, amusing and compelling quotes. Enjoy!
